BE STUPID. DIESEL

We are children's nurses
We are on the wards
We are safe hands
We are big hearts
We are all ears
For little Emma's fears
We are never far away
Whatever the day
We are a pulse
A temperature
A 7-year-old's future
We are listening
To her chest
The family's requests
We are the centre of a team
From the start
Nurses
To social workers
All playing our part
We are caring
For all ages
All conditions

WE ARE NURSES

We are the NHS. We are recruiting now. Search nursing degrees.

We are helping
We are healing
We are seeing it all
The smiles
The heartbeat
Ready for the call
We are positive
We are doing the right thing
We are a good feeling
We are of worth
We are a feeling of trust
Of hope
We are confident
We are proud
We are compassion
We have made the right decision
We are reassuring
We are comforting
We have studied for this
We are ready for this
Decision making
Selfie-taking
We are 'Hey mum, I'm coming home'
We are children's nurses
We are the NHS

"When I'm big, I don't want to be poor." Jenny*, 8

When Jenny and her family moved interstate, they ended up living in a tent. It is obvious to her classmates she is poor, and they don't let her forget it. She has no friends and often feels lonely.

Her Throat Insured For \$50,000.

DOLORES DEL RIO* tells why it's good business for her to smoke Luckies...

"That \$50,000 insurance is a studio precaution against my holding up a picture," says Miss Del Rio. "So I take no chances on an irritated throat. No matter how much I use my voice in acting, I always find Luckies gentle."

They will be gentle on your throat, too. Here's why... Luckies' exclusive "Toasting" process expels certain harsh irritants found in all tobacco. This makes Luckies' fine tobaccos even finer... a light smoke.

Sworn records show that among independent tobacco experts—men who know tobacco and its qualities—Luckies have twice as many exclusive smokers as all other cigarettes combined.
